

Lund Town Council Minutes of Meeting January 14, 2020

Meeting was brought to order by Vice Chairman , Ann Hamilton at approx. 6:10pm.

Lee reported during public comment that she did get reinstated at the White Pine County Court House to be a member of Lund Town Council for another year. She provided a copy of her oath statement.

After some discussion Christina made a motion to approve the minutes of December 10, 2019 and Lee seconded that motion. Ann made a motion to approve secretary's voucher for payment and Lee seconded it and all members approved both.

It was reported that Sheila Allred's receipts for the community Christmas party had been sent into the county by mail and email to provide proof of purchases for the reimbursement check she received in December 2019.

Lee reported all lights are working properly. Jim was not present to discuss any road conditions or updates for possible repairs.

During public comment, Gilbert Griffin was present and wanted to discuss with the council members ideas of how to get the Lund community to get involved in things here and to take more actions in beautification projects and town clean up. Several examples were given of what other communities have tried and what the council has tried over the years here to advertise town projects and events and turned out disappointing due to lack of response from the community. After some discussion and questions from Gilbert, the board will research his questions and will discuss this at our next meeting and try to put something in motion.

Lee made a motion to adjourn, Lance seconded it and all members approved. The next regular meeting is February 12, 2020 @ 6pm @ Lund Community Building.
