After discussion of the FY2021 Budget figures for Lund Town Council, the following changes were discussed. Raise the Miscellaneous 270-400-52401-000 to \$5500 and to increase Contract Services 270- 400-52915-000 to \$4168. This is to cover any increases that will occur during the fiscal year. Lee made a motion to approve these changes and Lance seconded this motion and all members approved .

Candace Perez and Brittany Carter were present to ask for funding help in hosting the Community Easter Egg Hunt for all age groups plus a small luncheon afterwards. They are asking for \$250. Lee made a motion to approve helping with the community easter egg hunt activities, Christina seconded this motion and all members approved. Candance and Brittany will provide receipts for this reimbursement and they will be submitted to the County.

Lee reported that the street light on main street across the Carter Agri Systems is on and off and also the light on the west side of the Lund Community Building is doing the same. She will report this to Mt. Wheeler Power.

As part of public comment, Jim reported that the WPC Road Dept will be here in April to do much needed repairs on several streets in the around the town area. He is also reaching out to the county offices to gather more information regarding tax dollars that are collected and more research on how funding is decided. He will give the LTC an update at the next meeting.

Lee made a motion to adjourn, Lance seconded it and all members approved. The next meeting will be April 14, 2020 @6pm @ Lund Community Building.
