- I. Roll Call/Call to Order- **The meeting was called to order at 10:00 AM. Brett went down the list of board members and then requested that the guests announce themselves. Above are those that were in attendance.**
- II. Public comment- **Brett called for public comment. No public comment was made.**
- III. Discussion for Possible Action: Approval of Agenda- **A motion was made by Scott to approve the agenda. The motion was second by Ross and the motion was carried.**
- IV. Discussion for Possible Action: Review & Approval of Minutes From 4/6/2021- **Ross made a motion to approve the minutes. The motion was seconded by Pete and the motion was carried.**
- V. Discussion for Possible Action: Ratification of OPTE Grant Application with Necessary Changes- **Tabatha explained that after the last meeting she realized that some of the items applied for through this grant were not really for hazardous material incident response and that some of the items that were approved in the UWS application. She explained that she switched several items. She explained that turnouts were added to the OPTE application and items such as tactical gear and AED's were moved to the UWS Application. She provided the group with a copy of the final application that was submitted. Scott made a motion to ratify the application. Pat seconded the motion and the motion was carried.**
- VI. Discussion for Possible Action: Approval of UWS Grant Application With Necessary Changes- **Tabatha explained that after the switching of items between the OPTE application and the UWS application, she made sure that all of the original items that were approve for both grants would still be applied for. She explained that after receiving quotes for the items, there was a little over \$2,000 left over. She gave the board various different options to apply for this money. Ross suggested that in the future, that if the board is going to provide supplies for the School District, it may be beneficial to purchase replacement supplies for the current buckets rather than just buying new buckets. He explained that this may give them more "bang for their buck". After a small discussion, it was suggested that the extra money go toward another radio for the City Fire Department and another AED battery for the Sherriff's office and that any leftover money could go toward buckets if it was enough. Scott made a motion to approve these changes to the application. Ross seconded the motion and the motion was carried.**

- VII. Public Comments – **Brett called for public comment. No public comment was made.**
- VIII. For Possible Action- **Scott made a motion to adjourn the meeting. Pete seconded the motion and the meeting was adjourned.**
