**PUBLIC COMMENT:** none

Minutes from July 9, 2020 meeting reviewed and approved.

**Discussion of “Welcome to Baker” Signage:** Dave Kuiper reported that Craig Baker will drill the holes needed to install the sign at the Baker Post Office. Dave and other volunteers will install the next week.

**Update on Little Free Library and Little Free Food Pantry:** Liz Woolsey thanked John Yacapraro for building the cabinet to hold the library and Donnie Crouch for donating the decorative birds for the top of the library. The library and food pantry are located on the north side of the Snake Valley Community Center.

**Update on Post Office display case/public bulletin board:** Liz Woolsey stated that the bulletin boards had been ordered. The boards will need to be assembled and installed, as well as the old bulletin boards will need to be removed. We should also consider landscaping the area around the board with mulch or Moriah stone.

**Discussion on Dumpster Request:** Carol Ferguson reported that there will be no dumpster this year due to lack of funding.

**Discussion to request assessment of handicap access to the Community Center:** The County was contacted and asked to conduct an assessment.

**Discussion of new “Action Items” for future meetings:** Liz Woolsey will be assisting the Home School students in assessing Baker outdoor lighting for dark night sky compliancy. She will report at the next meeting.

Dave Kuiper suggested that we may want to invite interested parties to our next meeting, including our County Commissioner liaison, Baker GID members, and Mt. Wheeler Power.

Next meeting set for November 12 at 5pm.

Meeting adjourned at 5:38pm
