Please review the following listing of previously reported commercial equipment. Please list all equipment owned, rented, leased, or controlled by you as of July 1, 2022 that does not appear on this listing. You are required to file a listing of all assets such as furniture, computers, software and all other equipment regardless of the asset's age or cost; or if the asset has been fully depreciated or expensed for federal tax purposes. We highly recommend you file online using the Excel upload option, particularly if your business has fifty or more assets to declare. Please indicate the year the equipment was acquired and the purchase price including delivery. DO NOT INCLUDE sales tax. If you have deleted any equipment, please draw a line through the listing and/or complete Section 5 on the front side of this form.
